Your Opportunity to Make A Global and Local Leadership Impact!

Dear Small Group Leader:

We are writing to make sure that you and your small group are aware of the upcoming global leadership event that is taking place at Church of the King on August 11-12, 2011. As a premier host site, Church of the King is an official satellite location for The Global Leadership Summit 2011, the Willow Creek Association's annual world-class leadership event broadcast from the Willow campus near Chicago. As a host site for this event, we truly believe the Summit to be one of the most accessible and affordable opportunities for leadership development available anywhere. Even *Fast Company* magazine hails the positive leadership impact of The Global Leadership Summit in an online article that can be read at <http://www.fastcompany.com/magazine/151/what-would-jack-do.html>.

Challenge Your Small Group Members to New Levels of Leadership Thinking and Growth Possibilities

Because of your significant leadership influence as a small group leader in the Church of the King spiritual family, we sincerely hope you will consider attending The Global Leadership Summit along with your small group. The event is an excellent opportunity to develop leaders of all types, as well as challenge leaders to new levels of leadership thinking and growth possibilities. It features leadership training from experts recognized all over the world — the kind of transferable training that's as appropriate for business and non-profit leaders as it is for those in church leadership. In fact, you can get a glimpse of the dynamic and powerful speakers that will be presenting at this year's Summit by watching the short video clip at Summit.ChurchoftheKing.com. Additionally, to learn more about the Summit and the line-up of speakers for 2011 from the Summit Founder, Bill Hybels, and the Willow Creek Association President, Jim Mellado, please watch the National Leaders Cast at http://www.willowcreek.com/web_events/national_gathering.asp.
