

SuperNatural – Angels Week 3

Warm-up

When you hear the word “angel,” what is the first image that comes to mind? Why?

Word

We all have different images of what angels may look like or what angels do, so today we are going to spend our time discovering Biblically *what angels are* and *what angels do*.

Angels are supernatural, spiritual beings created by God for God and for His glory. They are God’s servants, and they fulfill the following roles as a part of His creation.

- 1) **Angels are worshippers**
Read Hebrews 1:6 and Revelation 5:11-12.
- 2) **Angels are warriors**
Read 2 Kings 19:35, 1 Chronicles 21:27 and Revelation 12:7.
- 3) **Angels are messengers**
Read Judges 6:12 and Luke 1:30-31.

After looking at the three roles that God has created angels to fulfill, which of these sticks out to you the most? Why?

Now that we’ve discussed what roles God created angels for, we will discover what angels do.

- 1) **Angels give you direction**
Read Matthew 1:20. Have you ever felt like you were given direction by an angel? What was your experience?
- 2) **Angels protect you from danger**
Read Psalm 91:11-12 and Psalm 34:7. Do you feel that you have ever been protected by an angel? What happened?

3) Angels minister to you

Read Hebrews 1:14 and Matthew 4:11.

Share a time that you feel an angel ministered to you in your time of need?

Remember that angels are created by God in order to be used for His purpose. Therefore, as God desires to guide, protect, and love you, He will often use His angels to do so.

Prayer

Ask God to continue to give you a better understanding of the supernatural world and give you the faith to be able to trust that God can sustain you and bring you His victory.
